YOUR HOME, AS IT IS

Your property will be photographed and filmed as it looks when we arrive. Please have it presented exactly as you would like it to appear in the final images and video. Cleaning, staging and rearranging furniture are not included in the shoot.

DURING YOUR SESSION

We begin with a brief walk-through to review the spaces and features included in your booking. Please arrange access to the property and any areas being captured. You are welcome to be present; we may ask you to step out of a room while we work. Keep pets and people clear of the areas being photographed.

SCHEDULING & DELIVERY

Let us know before the appointment about any access instructions, private areas or features you would like highlighted. If weather affects exterior work, we will contact you to discuss the options. Your delivery timing and method will be confirmed with your booking.

PAYMENT

Payment is due in full by the end of the shoot.
